

# Chhoti Story Song Lyrics

---

Let me sing a chhoti story  
Pay attention listen to me

Kya bhai english story!  
Just listen bro!

Let me sing a chhoti story  
Pay attention listen to me  
If you want take it  
Or else kahe ko tension  
Leave it baby

Life is very short saiba  
Always be happy

Bade bade problems will come and go  
Thoda chill mere bhai

Together man!

Let me sing a chhoti story  
Pay attention listen to me  
If you want take it  
Or else kahe ko tension  
Leave it baby

Life is very short saiba  
Always be happy

Design design'a  
Problems will come and go  
Thoda chill mere bhai

No tension baby!

Speed mein ho toh dhyan hai must  
Slow jo ho toh steady hai must

Aye ha-ha-ha!

BHARAT  
lyrics

Oh anger always misery baby  
Friends jo ho toh problem Brust  
Haters are gonna hate  
But ignore calmly

Negativity ko thokar laga baby  
Focus on what you dream  
And don't worry bhai  
Positivity tujhe lift kare baby

Life is very short saiba  
Always be happy

Many many problems will come and go  
Thoda chill mere bhai

Students!

Let me sing a choti story

BHARAT  
lyrics

Life is very short saiba  
Always be happy

Design design'a  
Problems will come and go  
Thoda chill mere bhai  
No tension baby

Hard work chaahe smart work chaahe  
Self motivation wo sada tu hai  
Education chaahe dedication chaahe  
Self valuation tu hi bata kya hai

Don't be the person  
Spreading hatred baby  
Jo piche baat kare wo hai crappy

Always be polite  
And just don't be nasty  
You'll be the reason to  
Make someone happy

Life is very short saiba  
Always be happy

Bade bade problems will come and go  
Thoda chill mere bhai

One last time!

Let me sing a chhoti story  
Pay attention listen to me  
If you want take it  
Or else kahe ko tension  
Leave it baby

Life is very short saiba  
Always be happy

Design design'a  
Problems will come and go  
Thoda chill mere bhai

That was my choti story  
How was my choti story  
That was my choti story  
How was my choti story

Just awesome bhai  
No tension baby!.
