

Dekho lamahe hai aasmaano se gir rahe
Mujhako jara chhune do
Inamein tum bhi ho, inamein main bhi hoon
Hum bhi hai, mujhako hamein chhune do
Khaamosh khaamoshi ko suno
Pal anchhua sehama sa yaad ka jara chhune do
Chhune do, chhune do, chhune do
Ha ha chhune do, chhune do, chhune do

Do kadam hi toh hai tum mein mujhame
Chaar lamahon ki toh sirf duri hai
Do kadam hi toh hai tum mein mujhame
Chaar lamahon ki toh sirf duri hai
Faasalein jara chhune do
Chhune do, chhune do, chhune do
Ha ha chhune do, chhune do, chhune do....

Nind ke khubsurat si shehar ne
Dekhe tere aur mere khwaab hai
Nind ke khubsurat si shehar ne

Dekhe tere aur mere khwaab hai
Silwate jara chhune do
Chhune do, chhune do, chhune do
Ha ha chhune do, chhune do, chhune do....

Dekho lamahe hai aasmaano se gir rahe
Mujhako jara chhune do
Inamein tum bhi ho, inamein main bhi hoon
Hum bhi hai, mujhako hamein chhune do
Khaamosh khaamoshi ko suno
Pal anchhua sehama sa yaad ka jara chhune do
Chhune do, chhune do, chhune do
Ha ha chhune do, chhune do, chhune do.
