

Chhya nasha nasha
E yeh kyaa natak laga hain
Sorry sab ulta pulta ho gaya
Chhya nasha nasha
Mujhko ye kyaa huua
Ye mann mera mehake
Ye kadam hain behake
Main kise sambhaloon
Main to lehraaun

Uda jaaye tan mann haay rama
Ho na jaaye koi hungama
Uda jaaye tan mann haay rama

Raat andheri aur akeli hain jawani hain
Uss pe bahek na tumhari nadaani hain
Mujhe to ab koi hosh nahi
Tujhko sambhalun khud ko bachaun
Kyaa karun kuch bhi samaj mein aaye na
Ye mann mera mehake
Ye kadam hain behake
Main kise sambhaloon
Main to lehraaun
Chhya nasha nasha
Mujhko ye kyaa huua

Kaali kaali aankhon mein
Ghazab ka zuroor hain
Bheegi bheegi raate bhi
Nashein mein dekho choor hain
Dil to mera yahan bas mein nahi
Rut hain nashili tu albeli
Kyaa karun kuch bhi samaj mein aaye na
Ye mann mera mehake
Ye kadam hain behake
Main kise sambhaloon
Main to lehraaun
Chhya nasha nasha
Mujhko ye kyaa huua

Tera mann hain mehake
Ye kadam hain behake
Main kise sambhaloon
Main to lehraaun
Uda jaaye tan mann haay rama
Ho na jaaye koi hungama
Uda jaaye tan mann haay rama
Haay rama..
