---

O chill baby chill baby  
Yaada yatda sambhle dil baby  
O chill baby chill baby  
Yaada yatda sambhle dil baby

O akha mor ve ban butterfly  
Message tu kare main ta pa le reply  
Tere pichhe tere pichhe jedi phirdi  
Yaara ne vi akh na mardine darayi  
Mere naal kar na romance soniye  
Jaana baby jaana tu france soniye

Floor te karna tu dance soniye  
Par hodi-hodi hill baby

O chill baby chill baby  
Yaada yatda sambhle dil baby  
O chill baby chill baby  
Yaada yatda sambhle dil baby

O cheez hai tu cheez hai tu khari darling  
Nakhre adavaan naal pari darling  
Face to face aake akh ta mila  
Ho ja ho ja ho ja don't worry darling

O mera ae dhyaan billo tere wale nahi  
Khula kar kharche di koi gal ni  
Jo vi pasand cheez chakki chal tu  
Main aape bhar du bill baby

O chill baby chill baby  
Yaada yatda sambhle dil baby  
O chill baby chill baby  
Yaada yatda sambhle dil baby

O akh kude, alag kude  
Tu hai beer baaki jag kude  
Akh kare hunt mardi current  
Nange pair maare jo palang kude

Nakhra vi tera kise naalo kat ni  
Kar le decide hun fatafat ni  
Right seat utte baitha jatt ni  
Tu left seat kar fill baby

O chill baby chill baby  
Yaada yatda sambhle dil baby  
O chill baby chill baby  
Yaada yatda sambhle dil baby

O feel feel karegi tu safe no doubt  
Red red gallan jive seb no doubt  
Kehnda kehnda kehnda ni main hikk thok ke  
Channe angrez di tu bev no doubt  
O body na main karda ae kich kich ni  
Magnet wangu mainu teri khich ni  
Jeda aaya billo hun saade vich ni  
Main ohnu dena chill baby

O chill baby chill baby  
Yaada yatda sambhle dil baby
