

Chill, chill, chill man

Ab jeeye ya mare, kyon kisi se darre
Ab jeeye ya mare, kyon kisi se darre
Jo hona hoga hoga, it will

Take a chill pill, take a chill pill
Take a chill pill, take a chill pill

Ab jeeye ya mare, kyon kisi se darre
Ab jeeye ya mare, kyon kisi se darre
Jo hona hoga hoga, it will

Take a chill pill, take a chill pill
Take a chill pill, take a chill pill
Kal kya hoga yeh kyon soche
Chal pade hai jahan bhi pahunche

Hey hey hey hey hey
Kal kya hoga yeh kyon soche
Chal pade hai jahan bhi pahunche

Kehta hai mera dil, kehta hai tera dil

Kehta hai mera dil, kehta hai tera dil

Jo hona hoga hoga, it will

Take a chill pill, take a chill pill
Take a chill pill, take a chill pill

Ho, dil waalon ka yeh hai kehna
Apni masti mein tum rehna

Dil waalon ka yeh hai kehna

Hey hey hey

Apni masti mein tum rehna

Ab kaisi mushkil, mil jaayegi manzil

Ab kaisi mushkil, mil jaayegi manzil
Jo hona hoga hoga, it will

Take a chill pill, take a chill pill
Take a chill pill, take a chill pill

Jaisa bhi ho khel, khelenge
Gham bhi milenge to jhelenge

Jaisa bhi ho khel, khelenge
Gham bhi milenge to jhelenge

Ab kaisi halchal, ae yaar chalta chal

Ab kaisi halchal, ae yaar chalta chal
