Irupathu oru lifeu adichika cheers
Ponathellam pogattum da theva illa tears
Pudichatha seiyrathu ennaikumey mass
Dhinam dhinam mukkiyam pa namma inner peace

Ennaikumey padachavan thunai namakku
Manasula porada thunivirukku
Suthi paar sadhosham dhan kotti kidakku
Vanthiruchu namma kalam eri kalakku

Kalla kanda naai gone
Ulaikalana ne gone
Tension aava time illa ippo namma game on
Ulukkula fire-u
Therichu oodum fear-u
Pinnala pesuravan ellam kilinja tire-u

Chilla chilla chilla
Iru ella naalum chilla
Dhilla dhilla dhilla
Idhu nammaloda killa

Chilla chilla chilla
Iru ella naalum chilla
Dhilla dhilla dhilla
Idhu nammaloda killa

Irupathu oru lifeu adichika cheers

Ponathellam pogattum da theva illa tears
 Pudichatha seiyrathu ennaikumey mass
 Dhinam dhinam mukkiyam pa namma inner peace

Vaai udhaar vena
 Maatikadha veena
 Nammaloda vela parthu
 Ooru pesum thaana

Namandayea scene ah
 Time varathuda pona
 Ishtapattu kashtapatta
 Ellam varum thaana

Mathavana mattam thatti mela vanthu no use
 Kathuravan katthatumey thatti vidu time pass
 Vantha enna pona enna yaaru enna sonna enna.

Thakkida thakkida thakkida thak
 Thakkida thakkida thakkida thak

Chilla chilla chilla
 Iru ella naalum chilla
 Dhilla dhilla dhilla
 Idhu nammaloda killa
