

Chinchan pappulu chinchan pappulu
Chinchan pappulu chui mui mai
Chu na lena mujhe chu na lena
Chu na lena mujhe chu na lena

Aankhiya jo mili ja se jam chale
Muft badnam hue
Fir ye sokh najar
Thandi aaho ka asar
Tujhe pahchan gaye hum
Chinchan pappulu
Chinchan pappulu
Chinchan pappulu
Leke mera dil jan
Lena mujhe chu na lena
Chu na lena mujhe chu na lena

Ho log samjha ke
Thake rah jatlake thake
Fir bhi mai har gayi dil
Bade nadan jo ho
Koi kya jane yaha
Pyar ki hai koi muskil

Chinchan pappulu
Chinchan pappulu
Chinchan pappulu
Leke mera dil jan
Lena mujhe chu na lena
Chu na lena mujhe chu na lena
Thoda thoda thoda pyar badha
Mujhpe tere tujhpe
Mera jadu chala.
