---

Chinnanchiru manasukulla  
Kadhal rekka mulaikka  
Athu pinchu kaiya korthukittu  
Vaanam boomi alakka

Oru semmannum neerum pola  
Antha sengaathum poovum pola

Athu onnaagavey eppothumey  
Serntu than irukka  
Rendum kadhal ragam padikka

Chinnanchiru manasukulla  
Kadhal rekka mulaikka  
Athu pinchu kaiya korthukittu  
Vaanam boomi alakka

Yela yeley yeley yeley yeley yeley  
Yela yeley yeley yeley yeley yeley

Sekka sevappi unnala naan  
Sokkuren thannala thikkuren munnala  
Konjunkili kannala nee  
Killura mellura ennamo pannura

Thathi thavura vaanatha  
Thottu neevuthu meganthaan  
Pithanthaan thalaikeruthey  
Mutham thoovudaa neeyunthaan

Kaalam pooraa neeyum  
Eppavum kai korkka venum
