

Dekho dekho....

Dekho main hoon aamne
Aur tussi ho saamne
Burrah, burrah, burrah
Hai sab dil lage thamane

Zindagi chill hai ya
Jiyo jiyo speed vich
Aazadi lipti maza hai saara weed vich

Chaudhe mein raho high
Kaahe ki koi rok tok
Chucha karre jo koi
Usko do othe hi thok

Chaddi pehan ke gaaun
Ya phir gaaun nanga
Tu hota hai kaun chuje
Chal teri maa da kangna

Main jaisa bhi hoon
Cool cool dude changa
Panga na lena mujhse
Main udta patanga

Meri aan baan shaan
Tsunami main tufaan

Har desh mein haiwaan
Mujhe kahan mile chain

Mera gaana jab bhi baaje
Police ye chor nache
Mujhe gyaan na pilana
Main hoon antaryami
Tum hari gun gao
Main paidaisi haraami..booh!

O chitta ve, o chitta ve
Kaiyan nu hai khush kitta ve

lyrics

Hai mittha ve, hai mittha ve
Kundi nashe wali khol ke dekh

Udda punjab!

Fakeera ve, fakeera ve
Ehi teri sohni meera ve
Fakeera ve, fakeera ve
Bas nach naale khich ke dekh

Udda punjab...

Chitta ve, chitta ve
Jisne vi ehnu litta ve
Jitta ve, jitta ve
Kundi nashe wali khol ke dekh...

Udda punjab...

Chitta videhsi hai par bole ab punjabi hai
Poore punjab mein bas iski nawabi hai
Aag hai shola yeh angaron ka libaas hai
Nash nash mein ghusa hua
Har dil ka yeh khaas hai
Har dil ka yeh khaas hai
Har dil ka yeh khaas hai

Khet khalihano se ya chunghi naakon raahon se
Yaari hai isko bandon ke kaale gunaahon se
Hai waadiyon mein, shadiyon mein
Marghaton mein yeh..
Rang raliyon mein, kaliyon mein
Aahaton mein yeh..
Hadein aur sarhadein saari paar kar gaya
Pehle maza aur phir mazaar kar gaya

Maut ka vyaapaar, talab baar baar
Hai achilles ki waar aar ya toh paar
Chora chori ho ya naar
Munda kudi mutiyaar
Iska pehle badhe pyar phir cheenk aur bukhar

Uda punjab...
