

Chitthi aayi hai aayi hai chitthi aayi hai
Chitthi aayi hai aayi hai chitthi aayi hai
Chitthi hai vatan se chitthi aayi hai
Bade dino ke baad

Ham bevatano ko yaad
Bade dino ke baad
Ham bevatano
Ko yaad vatan ki mitti aayi hai
Chitthi aayi hai aayi hai chitthi aayi hai
Chitthi hai vatan se chitthi aayi hai

Upar meraa nam likha hai
Andar ye paigaam likha hai
Upar meraa nam likha hai
Andar ye paigaam likha hai
O parades ko jaane waale
Laut ke phir na aane waale
Saat samudar paar gaya tu
Hamako zidaa maar gaya tu
Khun ke rishte tod gaya tu
Aankh mein aansu chhod gaya tu
Kam khaate hai kam sote hai
Bahut zyada ham rote hai chitthi aayi hai
Chitthi aayi hai aayi hai chitthi aayi hai
Chitthi hai vatan se chitthi aayi hai

Suni ho gayi shahar ki galiyaan
Kate ban gayi baag ki kaliyaan
Suni ho gayi shahar ki galiyaan
Kate ban gayi baag ki kaliyaan
Kahate hai saavan ke jhule
Bhul gaya tu ham nahi bhule
Tere bin jab aayi divaali dip
Nahi dil jale hai khaali
Tere bin jab aayi holi
Pichakari se chhuti goli
Pipal suna panaghat suna
Ghar shamashaan ka bana namuna
Fasal kati aayi baisaakhi tera

Aana rah gaya baaki chitthi aayi hai
Chitthi aayi hai aayi hai chitthi aayi hai
Chitthi hai vatan se chitthi aayi hai

Pahale jab tu khat likhataa tha
Kagaz mein cheharaa dikhataa tha
Pahale jab tu khat likhataa tha
Kagaz mein cheharaa dikhataa tha
Band huaa ye mel bhi ab to
Khatam huaa ye khel bhi ab to
Doli mein jab baithi behana
Rastaa dekh rahe the naina
Main to baap hoon meraa kya
Hai teri maan ka haal buraa hai
Teri biwi karati hai seva
Surat se lagati hai bevaa
Tune paisaa bahut kamaya
Is paise ne desh chhudaya
Desh paraya chhod ke aaja
Pachhi pijaraa tod ke aaja
Desh paraya chhod ke aaja
Pachhi pijaraa tod ke aaja
Aaja umar bahut hai chhoti
Apne ghar mein bhi hai
Roti chitthi aayi hai

Chitthi aayi hai aayi hai chitthi aayi hai
Bade dino ke baad ham bevatano
Ko yaad vatan ki mitti aayi hai
Chitthi aayi hai aayi hai chitthi aayi hai
Chitthi hai vatan se chitthi aayi hai
Bade dino ke baad ham bevatano
Ko yaad vatan ki mitti aayi hai.
