Arere arere
Patta pagale chukkalu chupinchave
Arere arere
Chitti nadumuni ekkada chekkinchave

Kantiki pusave

Ye manchuni techi mallelu chesi
Sigalo posave

Ye pachani paira gaalini techi
Pallavi chesave
Nuli vechani naa gundellone
Chalini penchave

Arere arere
Patta pagale chukkalu chupinchave
Arere arere
Chitti nadumuni ekkada chekkinchave

Naa kanti reppalu rekkalai egire
Egire egire egire
Naa kanti paapalu dikkulai tirege
Tirege tirege tirege

Yada padindhi udayala boopalanne
Kadha marela chesidhi nee chinni vanne
Anuvanuvuna vintunna sangeethanne
Nee chirunavvulu kurupinche jalapathanne

Patta pagale chukkalu chupinchave
Chitti nadumuni ekkada chekkinchave
Arere arere

Paadalaki adugulannave
Unnanninaallu nee venuke
Nee venuke nee venuke

Mounaalaki maatalannave
Raananninallu em vinake
Em vinake em vinake

Naanu kaadani ledani vellake

Yedaninka kopanga gillake
Thene nee rendu kallinka muyake
Naa lokamlo cheekatlu challake

Patta pagale chukkalu chupinchave
Chitti nadumuni ekkada chekkinchave
Arere arere

Ye raathiri techi kaatuka chesi
Kantiki pusave
Ye manchuni techi mallelu chesi
Sigalo posave

Ye pachani paira gaalini techi
Pallavi chesave
Nuli vechani naa gundellone
Chalini penchave

Patta pagale chukkalu chupinchave
Chitti nadumuni ekkada chekkinchave
Arere.
