 Yemitii enthatiii premaa

Naa dhareto thochakunte
 Nii vembadae memu antuu
 Kadilaaru ento aa nammakam
 Nenelaa odduku cheradam
 Veellanelaa odduku cherchadam

Inti peddhaa kanumoosthey
 Ainavaallu anadhale kadha
 Nuvvu lekaa prathi ooru ooru
 Anadha avvadam yendayyaa

Nuvvu lekaa nuvvu lekaa nuvvu lekaa
 Idhi yenaadu arigundadhayyaa oo pedayya
 Indhari kannulu chimme kanniitanthaa
 Thudavaalani vundhi kodukuga

 Gadapaki prathi gadkari nenavuthaa raksha thoranam
 Maatapai untaanani chesthunnaa tholi santhakam
