Pari poye cheekate

Theeranne vathiki  
Kadhile alalaa  
Kanule alisenaa  
Edhurai ipude dhorikena

Epudu venake thirige  
Yedhake thelisela  
Cheliye pilichena...  
Choosale kallaaraa

Veluthuruvaane naa  
Hrudhayamulone nuu  
Avunanagane  
Vechhindi praname

Nee tholakari chupe  
Naa alajadinaape  
Naa prathidhika neeke  
Ponu ponu dhare marenaa

Naa shatruvee nadume  
Champadha tharime  
Naa chethule tadime  
Gundello bhookampaalena

Naa.. Raate  
Neeve marchesave  
Naa jodi neevele

Choosale kallaaraa

Veluthuruvaane naa  
Hrudhayamulone nuu  
Avunanagane  
Vechhindi praname

Nee jathakudirake  
Naa kadhalika maare  
Naa vadhuvika neeve  
Aa nakshatrala dhare naa paina

Hey thalalu theesayi kalaale  
Kougillaloo cheralile
