

Ho ho ho ho
Saa raa raa raa saa raa raa raa ri raa raa raa
Saa raa raa raa saa ra raa raa ri raa raa raa
Dheko pawan bhi haan haan
Dheko pawan bhi lehra rahi hai, tumko chuke
Chori chori chupke chupke

Saa raa raa raa saa raa raa raa ri raa raa raa
Saa raa raa raa saa ra raa raa ri raa raa raa
Koi khushi hai ho ho
Koi khushi hai, joh ja rahi hai tumse milke
Chori chori chupke chupke

Saa raa raa raa saa raa raa raa ri raa raa raa
Saa raa raa raa saa ra raa raa ri raa raa raa

Humko yeh lagta hi nahi, tum door kahin se ayi ho
Jaise mere sapno mein tumhari pehle se parchayi ho
Mujhko bhi sang rah mein tere chalna acha lagta hai
Bada safar hai jeevan mein joh itna sachcha lagta hai

Rang badal ke muska rahi hai khwaish mann mein

Chori chori chupke chupke
Saa raa raa raa saa raa raa raa ri raa raa raa
Saa raa raa raa saa ra raa raa ri raa raa raa
Dekho pawan bhi lehra rahi hai, tumko chuke
Chori chori chupke chupke

Ho ho ho ho
Ho ho ho ho

Kuch aise pal hote hain joh yaadon mein bas jaate hain
Seedhe saadhe log kahaan is dilse wapaas jate hain
Dilki bhasha aisi hai joh sab ko samaj mein ati hai
Raat paraya ho koi apna yeh din mein banati hai
Shaam bhi kehti yeh ja rahi hai, humse tumse
Chori chori chupke chupke

Saa raa raa raa saa raa raa raa ri raa raa raa
Saa raa raa raa saa ra raa raa ri raa raa raa

Dekho pawan bhi lehra rahi tumko chuke
Koi khushi hai joh ja rahi tumse milke
Chori...chori...chupke...chupke ho ho ho
Saa raa raa raa saa raa raa raa raa ri raa raa raa
Saa raa raa raa saa ra raa raa raa ri raa raa raa
