

Chosen Song Lyrics

Life hai saamne sabke
Nahi hai koyi parda
Studio mein lock hoon
Tabhi har jagah hai charcha

Saalon main tarsi tabhi
Ho rahi hai yeh varsha
Paan mein kabhi meetha bhi hai
Aur kabhi hai zarda

Life kaabu mein jab
Hua main bekaabu
Kaise tu yeh kar leta hai
Sabko hota taajjub

Banjar zameen fati
Maa ke gire aasun
Ab baatein only universal
Baaju hoja baaju

Yaari ka pakka tera
Sabse acha dost hoon main
Linon ko theek karu
Pichhe khada ghost hoon main

Safar mein sangh hoon tere
Aaja tera bhoj lu main
Dosti mein cheat kare
Munh mein tere gosht doon main

Pehle main pyasa tha
Ab leke aaya baadh main
Cheekha hoon bahut
Tabhi laga hoon dahadne

Sahi khoda tumne
Haati nikala hai pahaad mein
Pyar se kya baat karu
Aa jaate hain laad mein

Khushiyan saari kaagazi
Par baatein chide cast ki
Itna gussa kyun chhote
Ranjishe kyun aapsi

BHARAT
lyrics

Mann mein omkar cross
Chand bhi aur swastik
Jaana hai khuda ko maine
Tabhi bana nastik

Independent dil se
Aur saath mai mere label hai
Khali meri thali thi
Ab bhara pada table hai

Rabb ka yeh favor hai
Sunn tabhi aise flavor hai
Kaam ka hoon pakka raja
Tabhi aisa tewar hai

Toofanon mein pala hoon
Pala hoon main aag mein
Gala hoon taap mein
Tabhi chodu chaap mein

Jigre mein dum hai toh
Lage tu kyun yeh kaanp ne
Bars ka baap hoon main
Tabhi kahe baap re

Ujale aaye aur
Chata saara darkness
Mudke toh dekho
Saara jag hai mere sath mein

Aaya hoon karke main
Lambe se faasle
Mujhko chuna hai
Sun rab ka hoon khaas main

I'm chosen, i'm chosen
I'm chosen, i'm chosen
I'm chosen, i'm chosen
I'm chosen, i'm chosen

Kha kha khatam karun
Kar doon tera lip lock
Boli hai rap aur sun jaat hai
Meri hip hop

Jahan se hona chahiye
Wahin se hoon main thick bahut

BHARAT
lyrics

Gaane bhi main gaa leta hu
Aur bars hai mere sick bruh

Sheron ko modke
Sunn bana hoon main shayar aaj
Khoon siyahi bani
Tabhi chala hai mushaira

Jagah teri le raha hoon
Main badha raha hoon dayra
Aage sab kuch mera hai
Sunn meri hai yeh kaaynaat

Jordan ka fan hoon par main
Jooton pe nahi kharchun
Kehte mere dost
Rappers jaise kyun nahi kartoot

Uski main cheezon ko nahi
Aadat ko karta pursue
Aur tera darna laazmi hai
Aage khada hai arjun

Meri melody de therapy
De jealousy aur allergy
Yeh pehle bhi kaha tha
Meri legacy toh failegi

Meri territory mein jagah nahi
Yeh lehrein de energy
Hai alleppey se beverly
Yeh peedhi mujhe hi sunegi

Koyi bala se main gala nahi
Sath kadake ki kala thi
Koi jagah nahi jahan salah nahi
Sab madari main nacha nahi

Kabhi manali mein mala nahi
Par gale mein thi kharashi
Bharatlyrics.com
Mere kala ki nahi dalali
Hai nakashi yeh darati

Pakdi hai gati
Ab nahi koyi speed breaks
Success ka bhooka baaki

BHARAT
lyrics

Nahi hai koi cheat days

Dooba sagar mein
Tabhi mila jaake sea face
Kaam se kaam chori nahi
Bas yehi hai mera secret

I'm chosen, i'm chosen
I'm chosen, i'm chosen
I'm chosen, i'm chosen
I'm chosen, i'm chosen.
