

Kurhi hit hai brhi,
Ik shot mein charhi,
Ho na jaaye garhbarhi,
Mere sirr pe charhi,
Patli patang dekho doodh jaisa rang,
Kare akhiyon se jung,
Mere saahmane kharhi,

Mitran de dilan naal khed di,
Luki akh naal jadon vekhdi,
Dil farh farh beh jaavan,
Tenu vekh ke main gaavan,
Tu hai bulbul meri main hoon chulbul tera,
Bann better half tu main toh hoon full tera,
Bulbul meri main hoon chulbul tera,
Bann better half tu main toh hoon full tera...

Oye beech bazaar mujhe line na tu maar,
Tu toh fukra barha hai main chalaun jaguar,
Main toh kurhi high class,
Aaungi na tere paas,
Tu hai banda brha desi aaungi na tujhe raas,

Sohna tera face hai ve,
Lagta par fake hai ve,
Aise tu baatein na bna,
Baalon pe gel lagaake,
Mere dil ki bell bajake,
Aise na dil ke andar aa..

Aaja chalein outside,
Bahar moon ki hai light,
Apni car ki tu ride,
Hoga dinner candle light,
Gaadi mein bajega gaana,
Tujhe saath hai nachaana,

Baby kar na bahana,
Aaja long karle ride,

Mundeyan de dilan naal khed di main,

Luki akh naal jaden vekhdi main..

Haaye mar mar main jaavan,
Tenu vekh ke main gaavan,
Tu hai bulbul meri main hoon chulbul tera,
Bann better half tu main toh hoon full tera,
Bulbul meri main hoon chulbul tera,
Bann better half tu main toh hoon full tera...
