

Chunari re, chunari re chunari
Le gayi dil, le gayi dil chunari
Chunari re, chunari re chunari
Le gayi dil, le gayi dil chunari
Chunari ye teri chunari sar se jo sarki
Chunari ye teri chunari sar se jo sarki
Pyar ki bechaini de gayi, de gayi, de gayi

Chunari re, chunari re chunari
Le gayi dil, le gayi dil chunari
Chunari re, chunari re chunari
Le gayi dil, le gayi dil chunari
Chunari ye teri chunari sar se jo sarki
Chunari ye teri chunari sar se jo sarki
Pyar ki bechaini de gayi
Chunari re, chunari re chunari
Le gayi dil, le gayi dil chunari
Tere liye rup hai mera, tere liye ye singar
Tere liye meri adaye, tere liye mera pyar
Pyar ki bechaini de gayi re
Chunari re, chunari re chunari
Le gayi dil, le gayi dil chunari

Jab se tumko dekha maine maine maine
Tumhe pana hai ek din tai kar liya
Tai kar liya
Dhire dhire jane jana jana jana
Tumhe tumse churana hai tai kar liya
Tai kar liya
Maine bhi ye tan man tujhe sop diya
Ab tere bina kahi lage na jiya
Chunari ye meri chunari sar se jo sarki
Chunari ye meri chunari sar se jo sarki
Pyar ki bechaini de gayi re
Chunari re, chunari re chunari

Le gayi dil, le gayi dil chunari

Tere jaisa nahi koi koi koi
Teri har ek ada pe pyar aa gaya

Pyar aa gaya
Behake behake mere arama arama arama
Meri chahat ko bhi karar aa gaya
Tere ishq ko maine pehchan liya
Maine bhi tujhe apna man liya
Chunari ye meri chunari sar se jo sarki
Chunari ye meri chunari sar se jo sarki
Pyar ki bechaini de gayi re
Chunari re, chunari re chunari
Le gayi dil, le gayi dil chunari
Chunari re, chunari re chunari
Le gayi dil, le gayi dil chunari.
