

Doston se jhuuthii muuthii duusron ka naam leke phir merii baatien karna
Yaara raat se din karna
Lambi judaai terii bada mushkil hai
Aahon se dil bharna
Yaara raat se din karna
Kab yeh puurii hogii duur yeh duurii hogii
Roz safar karna
Yaara raat se din karna
Chupke se chupke se raat kii chaadar tale
Chaand kii bhii aahat na ho
Baadal ke piichhe chale
Jale katara katara, gale katara katara
Raat bhii na hii le aadhii aadhii
Raat bhii na hii le aadhii aadhii
Chupke se lag jaa gale raat kii chaadar tale
Pharvarii kii sardiyon kii dhuup mein
Muundii muundii akhiyon se dekhna
Haath kii aar se
Niimi niimi thand aur aag mein
Haule haule maarva ke raag mein
Miir kii yeh baat ho
Din bhii na duube raat na aaye shaam kabhii na dhale
Shaam dhale to subaah na aaye raat hii raat jale

Chupke se chupke...ke piichhe chale
Doston se juuthii ...se din karna

Tujh bina paglii yeh purvai
Aake merii chunarii mein bhar gayi
Tuu kabhii aise hii gale mein bhar jaise yeh purvai
Aa gale lag jaise yeh purvai
Saathiya sun tuu kal jo mujhko nind na aayi paas bulaa le na
Goad mein apnii sar rakh le na
Lorii sunaa de na
Chupke se lag...ke piichhe chale.
