

Churaake dil mera goriya chali
Churaake dil mera goriya chali
Udaake nindiyaan kahan tu chali
Paagal hua, deewana hua
Paagal hua, deewana hua
Kaisi yeh dil ki lagi

Ho, churaake dil tera chali main chali
Mujhe kya pata kahan main chali
Manzil meri bas tu hi tu
Manzil meri bas tu hi tu
Teri gali main chali

Oh, churaake dil mera goriya chali
Churaake dil tera chali main chali
Abhi to lage hain chaahaton ke mele
Abhi dil mera dhadkanon se khele
Kisi mod par main tumko pukaaroon
Bahaana koi bana to na loge

Agar main bata doon mere dil mein kya hai
To mujhse nigaahen chura to na loge
Agar badh gayi hai betaabiyaan
Kahin mujhse daaman chhuda to na loge

Kehta hai dil dhadakte hue
Tum sanam hamaare hum tumhaare hue
Manzil meri bas tu hi tu
Manzil meri bas tu hi tu
Teri gali main chali
Oh, churaake dil mera goriya chali

Churaake dil tera chali main chali
Nahin bewafa tum, yeh mujhko khabar hai
Badalti rution se magar mujhko darr hai
Nayi hasraton ki nayi sej par tum
Naya phool koi saja to na loge

Vafaayein to mujhse bahut tumne ki hai
Magar is jahan mein haseen aur bhi hai
Kasam meri khaakar itna bata do

Kisi aur se dil laga to na loge

Dheere dheere chori chori, chupke chupke aake mil

Toot na jaaye pyaar bhara yeh dil

Manzil meri bas tu hi tu

Manzil meri bas tu hi tu

Teri gali main chali

Churaake dil mera goriya chali.
