

Churaya chain tumne  
Ha churali neend tumein  
Chain tumne churaya humara  
Neend tumein churali humari  
Chain tumne churaya humara  
Neend tumein churali humari  
Aur kitna deewana karegi  
Yaar humko mohabbat tumhari  
Churaya chain tumne  
Ha churali neend tumein

Hai chahaton ka yeh safar  
Kitna haseen hum safar  
Bahaon mein meri tum har pal raho  
Kehti hai beqakariyan  
Badh jane do khumariyan  
Hone do ho raha jo kuch na kahon  
Dekho bechainiya badh rahi hai  
Jaan bhi ja rahi hai humari  
Aur kitna deewana karegi  
Yaar humko mohabbat tumhari  
Chura liya chain tumne  
Haan chura lee neend tumne

Tum bhi zara suno sanam  
Mausam yeh humse keh raha  
Chahat ki dheemi aag mein jalte rahe  
Ab na hai koi aarzo aur na hai koi justajoo  
Yeh silsile wafa ke chalte rahein  
Kyun lage aaj bas ek pal mein  
Zindagi ho gai hai tumhari  
Aur kitna deewana karegi  
Haye humko mohabbat tumhari  
Chain tumne churaya humara  
Neend tumein churali humari  
Chain tumne churaya humara  
Neend tumein churali humari  
Aur kitna deewana karegi  
Yaar humko mohabbat tumhari  
Chura liya chain tumne
