Bade bado ko sabakha sikha de  
Jiski chaahein band baja de  
Sher ko bhi hum billi bana de  
Humna koi kahan bar

Barkan gang ka kya kehana  
Barkan gang ka kya kehana  
Taaro ko dharti pe laade  
Unche parbat ko bhi jhuka de  
Mumbai se hi dilli dikhade  
Humna koi kahan bar  
Barkan gang ka kya kehana  
Barkan gang ka kya kehana

Haan thandi aahein bharta hain  
Baat badi kyun karta hain  
Humne jaana humne maana  
Tu andar se darta hain  
Haan thandi aahein bharta hain  
Baat badi kyun karta hain  
Humne jaana humne maana  
Tu andar se darta hain

Aaj yahan jo dar jaayega  
Samjho pyaare mar jaayega  
Jeet kar baazi hum jaayenge  
Soch ke aaye yahan  
Barkan gang ka kya kehana  
Barkan gang ka kya kehana

Kauan rang badalta hain  
Hans ki chaal mein chalata hain  
Meri taaqat meri himmat  
Dekh ke ye to jhalta hain  
Kauan rang badalta hain  
Hans ki chaal mein chalata hain

Meri taaqat meri himmat  
Dekh ke ye to jhalta hain

Hum ko kauan kehane wale  
Chonch se aake chonch millade  
Andaaza tujhe lag jaayega  
Bach ke tu rehana  
Chutkan gang kyaa kehana  
Chutkan gang kyaa kehana

Hum hain raja hum hain heero  
Soorat se lagate ho zeero  
Hum se saari duniya haari  
Lekin hain ab apni baari  
Dekho humse na takrana  
Mushkil hain tera bach ke jaana  
Mitt jaayegi teri kahaani  
Yaad aayegi tujhko naani  
Maa ka dudha peeya jo aajaa  
Aaj bajega tera baaja  
Tu hain murga tu hain anda  
Tu hain baigan tu hain banda  
Murga anda baigan banda  
Murga anda baigan banda  
Murga anda baigan banda  
Murga anda baigan banda hey  
Bach ke tu rehana  
Chutkan gang kyaa kehana  
Chutkan gang kyaa kehana

Bade bado ko sabakha sikha de  
Jiski chaahein band baja de  
Sher ko bhi hum billi bana de  
Humna koi kahan bar  
Chutkan gang kyaa kehana  
Chutkan gang kyaa kehana  
Hey chutkan gang kyaa kehana  
Chutkan gang kyaa kehana.
