

Baby make some shor,  
Abhi & nikks are on the floor.

Raat ho gayi hai mood tum banalo,  
Bohot kama liya kahin to udalo,  
Club jaane ka aaj scene banalo  
Peetey,peetey-10 ladkiyaan patalo,  
Haan ladikiyaan patalo,

Letz go clubbing, clubbing-12

Red red se lips tere hain  
Banda main bhi bad bad  
Kiss karna chahun main tujko  
Baby aaja on the bed bed

Mujhko hai pta tujhe peeni hai

BHARAT  
lyrics

Luv shuv main padiyona

Bina baat ke ladiyo na

Jab dekhe mujhe kissi or ke saath

To muh phula ke sadiyo na

Club main bad gayi thand thand  
Dekh saare ho gye bhand bhand  
Mujhko na satta, mere paas to aa  
Mera 12 inch ka dund dund

Letz go clubbing, clubbing-12

Dekh raat ko hi milta hai romance ka mauka,  
Apna to bhai fix hai har raat ko chauka,  
Ladkiyaan deti hai apne boyfriend ko dhauka,  
Karch karte hai jab unpe per month ek khauka, khauka-8  
Phir karte unko tight pila ke,  
Nache phir woh kamar hila ke,  
Breakup karke bande se apne,

Karte hum ko bite dabake,

Letz go clubbing, clubbing-12..
