

Come And Kiss Me Baby Song Lyrics

Come and be my baby baby
Naan barbie doll aaven
Come and kiss me baby kiss me
Naan zombie pol aaven

Idhu kadhal seiyum magic magic
Ennai killi thinnada
Ini thevai illai logic logic
Ennai kattipodi kattilodu ottipodu

Come and be my baby baby
Naan barbie doll aaven oho
Come and kiss me baby kiss me
Naan zombie pol aaven oho

Oru scientist naan aagi naan aagi
Oru matrix world seidhu world seidhu
Unnai kaiyil naan yendhi nee yendhi
Pala ulagam parappene

Oru nolan cinema pol cinema pol
Oru fiction naan ezhuthi nee ezhuthi
Un koonthal moodi eduthu
Black holesai thaithuduvu

Un kannin maiyai penil otri
Kavidhai ezhuthiduvu
Un punnagai konjam brushil thottu

Oviyam varainthiduvu

Adi podi nee ennai konnaalum
Naan phoenixaga
Meendu varuvu

Come and be my baby baby
Naan barbie doll aaven oho
Come and kiss me baby kiss me
Naan zombie pol aaven oho

Andha harry potter pol potter pol
En kaiyil wand eduthu wand eduthu
Oru dragonai kootti vandhu kootti vandhu
Un petai aakkiduvan oho ho

Andha thorin hammer pol hammer pol
Oru aayudham naan seidhu nee seidhu
Unnai endrum kaathiduvan ho baby
Bayam vendam en anbe ho baby

Un violin idaiyil notesai thirudi
Duet ezhuthiduvan
Un idhazhin eeram konjam eduthu
Vaccine seithuduvan

Adi nee ennai konjam maranthalum
Unnai kaithu seithu en nenjil pootta

Come and be my baby baby
Naan barbie doll aaven oho
Come and kiss me baby kiss me
Naan zombie pol aaven oho
