

Come near aaiye na ingewa
Kanche desho bikhre ye ithe aa
Hindi muskil urdu muskil muskil hai angreji
Aanhko ki bhasha me kahdo
Sab dunia samjhegi
Come near aaiye na ingewa
Kanche desho bikhre ye ithe aa
Hindi muskil urdu muskil muskil hai angreji
Aanhko ki bhasha me kahdo
Sab dunia samjhegi
Come near aaiye na ingewa
Kanche desho bikhre ye ithe aa

Chehre to hai lahko hasi
Tere jaisa dekha nahi
Tujh me mujhe sab mil gaya
Lagta hai yu rab mil gaya
Love me i love you
Love me i love you
Kis bhasha me kya kahte ho
Mai kya pahchanu
Mai to janu dil ki bhasha
Usko hi pahchanu
Come near aaiye na ingewa
Kanche desho bikhre ye ithe aa

Ambar se kab utri hai tu
Dil se mere gujri hai tu
Khwabo me tha tujhsa kaha
Tere liye mai aayi yaha
Love me i love you
Love me i love you
Tamil pyari bangla pyari
Pyari hai marathi
Sabse pyari wo bhasha jo bole mera sathi
Come near aaiye na ingewa
Kanche desho bikhre ye ithe aa
Love me i love you
Love me i love you
