

Connecting Creators Connecting Countries Lyrics

Om sangachhadhwam samvadadhwam

Waves arise from distant shores
Bringing voices tales and more
Art and soul in rhythm sway
Uniting hearts across the way

Har rachna mein base prem ke swar
Har vichar mein ujiyaara bhar

From bharats hearts to global skies
Nations health our spirits rise
From dance steps swift to sitar strings
Indias truth forever sings
To every craft its sacred flame

Satyam shivam sundaram the name

Agathin arivinil sirandhu vilangi
Munnodiyaagum bharatham
Mozhigal verinum madhangal verinum

Aadhyathmikatha aneka kala
Snehamree kshetragniyil asalay mozhi
Bharat desh ha sanskrutik drushtine
Shrimant ani shreshtha tharla aahe

Prokritir bhinno rongе rongeен
Ei punnyo bhoomi
Boichitre bhora shure gaatha
Praane baadha ei aamar bharat bhoomi

Praacheena kalala moolasthanam
Sanatana dharma maargadeephram
Idi naa bharatham

Vasudhaiva kutumbakam
One family one stream
Kalpana se saakaar ho har dream

Creating dreams beyond all lines
Waves connect what love defines
