

Crew Lyrics

That ain't a bird that ain't a plane thats my crew
Kon hai tu? You ain't that guy i can humble you!
Tu karega ye tu karega woh ye dhamkiyan kiyu
May kattar karachi bulayega ek par ayega crew

That ain't a bird that ain't a plane thats my crew
Kon hai tu? You ain't that guy i can humble you!
Tu karega ye tu karega woh ye dhamkiyan kiyu
May kattar karachi bulayega ek par ayega crew

Feels like race bhaagri benz crew yeh strapped
Ready hai aim we don't make mistakes put two in your back
And two in your face agar kare chase nahi karugan behes
My opps be going places lekin mostly hoti woh last yeah

Itne ganay pade mein bhi sochra daalun ab konsa
Never chased a bitch milta milne ka mauqa
Nle choppa yeh propaganda kare bharpoor
I'm dropping again oh most consistent
Har gana yahan lagen yahan tuhfa

Amad hi amad hai
Likhne jab bhete tou bars baramad hai
Lete woh shots bhai ab kiski shamat hai
Rahun mein zone may meri sharafat hai
Kahi bhi chalay yeh qalam salamat hai
One with the god tou hoti karamatein
Poora mein qalla say teri banawat hai
Tere hi jhoot bhai teri rukawat hai

Na mein woh banda hi nahi joh mila tha kabhi tujhay
Mera ban bhai nahi yahan pehle say mere khaday
Farak ghanta nahi hum tere say bhi hain baday
Tera chalta nahi yahan kaam beta tu funny

Let em know let em know
Milli pay ganay yahan bethe hain bro
Woh jhoot jab gaanon mein bolein

I peel them off no skin off my nose

Karte woh tag along jab faiday dhike yahan unhay
I've been patient all this time kiya khayenge loug yeh mujhay
I got rhymes schemes garam metaphor
Baat kardu bina kare coat
Mere idols bolein i'm killing it
Par na mein demon na anjum na kaul

That ain't a bird that ain't a plane thats my crew
Kon hai tu? You ain't that guy i can humble you!
Tu karega ye tu karega woh ye dhamkiyan kiyu
May kattar karachi bulayega ek par ayega crew

That ain't a bird that ain't a plane thats my crew
Kon hai tu? You ain't that guy i can humble you!
Tu karega ye tu karega woh ye dhamkiyan kiyu
May kattar karachi bulayega ek par ayega crew

Baaghi misfit
Karun saari baatein twisted
Puff pass sip sip
Betho karo greatness witness
Rang baaz girgit
Kalaa meri kisi ka nahi business
Meethay kishmish
Crew say bahir hai sari bitch shit

Chill mode karun kyun mein call off
Chuttuon ko chaahay lagay holiday fall off
Wall of china se barha inhay keera
Aese cringy kay hota mera jaw lock

Kabhi kabhi dil karay mathay pe likha lu
That i really wanna fuck you all off
No love nou laakh maslay mere sey
Mere lun se hain wese gilay aese karun raw dog

"papa papa" karday attention layi
"papa papa" g nu koi tension
"papa papa" g tuaaday honday ni oh cancel wai

Talha ya umer aeh sab nu khabar
You fuck with an anjum you fuck with me

I am so high but ok ki take hai
Shukar khuda ka the life is amazing
Humse laga rahay jo akeilay race'ain
Hum ko suna rahay ho mosiqi basic
Muftay mein kha rahay whatever we're makin
Karo imagine kay aik na aik din
You'll get to know that you got it all wrong
Sach ki qasam bitch you're fucking mistaken
Ho ja sanjeeda kar talent ko waste nahi
Aur moreover kar apni pesh nai
Mein woke hun tum bas awaken
Russ walay skills mein karta hun drake things
A.k.a muh'fuckin great things
Mauzu e sukhan hip-hop and i aced it
6 hon ya 36 tu ikathay bhej de
Nateeja dekh lay

That ain't a spaceship
That ain't no spacex
Woh mera gang woh mere bhai
So fucking fly nazar say ghayab
Na dete dikhayi
Mein kattar karachi bhai jeet ka aadi
When i roll the dice
Baby jee kattar mein dar ul haqumat
Margalla high

That ain't a bird that ain't a plane thats my crew
Kon hai tu? You ain't that guy i can humble you!
Tu karega ye tu karega woh ye dhamkiyan kiyu
May kattar karachi bulayega ek par ayega crew
