

O o ..

Look out, look out the siren's blaring  
She drop it down i can't stop staring  
O o ..

Teri nazar toh hai farebi  
Tera hua jaan-e-qaidi

She is burning like a fever  
And i'm a believer  
Nasha hai nazakate  
Inn aankhon ke chodo  
Aada mein karodo  
Chhupi hai sharaaratein  
Its criminal baby booty  
Going pop pop pop  
Its criminal baby party  
Won't stop stop stop  
Its criminal that shorty  
Driving me crazy  
Sexy like the girl should be  
Spending all my money on her

BHARAT  
lyrics

Oh ishq asar kare dinna dinna  
Dil ka hashar kare dinna dinna  
Ek nazar kare dinna dinna  
Lakh dakaatiyaan  
Ho ishq asar kare dinna dinna  
Dil ka hashar kare dinna dinna  
Ek nazar kare dinna dinna  
Lakh dakaatiyaan  
Its criminal baby booty  
Going pop pop pop

Nigaahein aate jaate, nazaare  
Mere dekhe tham ke ho tham ke  
Ujaale phaile mere adaayein  
Sheeshe jaise cham ke ho cham ke

O aadhi se zyada neendhein  
Nakhre churaaye

Baaki bachi jo teri zulfein udaaye  
Tu hi bata de kaise khud ko bachaaye  
Yeh aankhein teri kare choriyaan

Its criminal baby booty  
Going pop pop pop  
Its criminal baby party  
Won't stop stop stop

Oh ishq asar kare dinna dinna  
Dil ka hashar kare dinna dinna  
Ek nazar kare dinna dinna  
Lakh dakaatiyaan

Chori chori le gayi chura ke  
Chori chori khwaabon me aake  
She got me loosin my mind

Chori chori aankhon me aake  
Chori chori khwaabon me jaake  
Chori chori neendhe chura ke
