

Haaan haaaan  
Haaan haaaan

Hayin di tu pehli kudi jeede utte aaye mera  
Dil sanu maare mukabe tera thudi kada til  
Neetu soni bani lage jaadu kardi ae blush  
Rab di saun  
You are my only crush

Pyar mainu tere naal ho hi gya  
Confusing mind mera kho hi gya  
Pyar mainu tere naal ho hi gya  
Confusing mind mera kho hi gya  
Hun duniya di chad  
Sanu kalli kite mil mil mil mil

Ni tu pehli kudi jeede utte aaye mera dil  
Sanu maare mukabe tera thudi kada til  
Neetu soni bani lage jaadu kardi ae blush  
Rab di saun  
You are my only crush

Ni tu pehli kudi jeede utte aaye mera dil  
Sanu maare mukabe tera thudi kada til  
Neetu soni bani lage jaadu kardi ae blush  
Rab di saun  
You are my only crush

Tere dad da bhi billo mainu koyi darr nahi  
Tera bhai gangster koyi badi gal nahi  
Koyi badi gal nahi koyi badi gal nahi  
Tere dad da bhi billo mainu koyi darr nahi  
Tera bhai gangster koyi badi gal nahi  
Tere dad da bhi billo mainu koyi darr nahi  
Tera bhai gangster koyi badi gal nahi

Ni main kalla kalla saam loon main  
Tu kar thodi chill chill

Ni tu pehli kudi jeede utte aaye mera dil

Har muk teri aise jaise ek apple ka phone  
Tujhe dekhte hi dharti pe aa jaata hai storm  
Per roz karta hoon baby tujhko phone  
Per phone utha ke kehti hai kaun

Sun apna hoon tera  
Main nahi koyi gair  
Baith meri gaadi mein  
Kara du tanne sair  
Dil de ke mujhko tu  
Tere naam kara dunga main  
Saara shehar  
Tere ghar ka pata bhi baby  
Maine laga liya  
Tere mom dad ko bhi  
Baaton se fasa liya
