

Huyi jis roz se main jawaan
Huyi jis roz se main jawaan
Mohalle mein curfew laga
Mohalle mein curfew laga
Log dene lage apni jaan
Log dene lage apni jaan
Mohalle mein curfew laga haay
Mohalle mein curfew laga

Curfew laga re baba curfew laga
Curfew laga re baba curfew laga
Curfew laga re baba curfew laga
Curfew laga re baba curfew laga

Gayi kal thi mein bazaar mein ghumane
Lagi badnazar bas mujhe chumane
Haa isse chumane haa isse chumane
Koi aankh maare to seeti koi
Koi chhalla dede to anghuthi koi
Haa anghuthi koi haa anghuthi koi
Bandh kardi
Bandh kardi sabhi ne dukaan
Bandh kardi sabhi ne dukaan
Mohalle mein curfew laga haay
Mohalle mein curfew laga

Curfew laga re baba curfew laga
Curfew laga re baba curfew laga
Curfew laga re baba curfew laga
Curfew laga re baba curfew laga

Huyi raam jaane thi kyaa mujhse bhul
Kahin se main ban baithi kahe ko phool
Haa kahe ko phool haa kahe ko phool
Samaj mein na aaye karun kya jatan
Loon angadai ho dil mein meethi chubhan
Haan meethi chubhan haan meethi chubhan
Ho gayi har nazar baimaan
Ho gayi har nazar baimaan
Mohalle mein curfew laga haay

Mohalle mein curfew laga

Curfew laga re baba curfew laga
Curfew laga re baba curfew laga
Curfew laga re baba curfew laga
Curfew laga re baba curfew laga

Nikal jaaun sadko pe ban thanke jab
Kahein log saare gazab hain gazab
Haa gazab hain gazab haa gazab hain gazab
Nahi hoon main miss world se kam
Patakha kehta kehta koi bam
Haa koi bam haa koi bam
