

Make you disco, cut to disco,
We are born to disco
Ye kadam, ye badan,
Tan-man born to disco
Make you disco, cut to disco,
We are born to disco

Jab kuch bhi nahi aata tha,
Dil ye mera gaata tha
Tab bhi tha badan mein rhytham,
All we knew was disco
Understand, yes you can,
We are born to disco

Dost disco, dushman disco,
Tum hum born to disco
Make you disco, cut to disco,
We are born to disco

Disco ki gehrai mein
Khoye khoye rehte hai
Phir bhi nahi pahunche kahi,
See how did disco
80's disco, 90's disco,
Once again we back to disco
Isne pakda hai jis jisko,
Har janam he born to disco
Make you disco, cut to disco,
E are born to disco.
