

Daachi Daachi Song Lyrics

Anthe leni aakashana
Gamyam antu undedhenaa
Egaraalane aaraatamaa
Alisosthe vaale chote leka

Daachi daachi osi koyila
Aa oosulevo gonthulopalaa
Vela kaani velalo ilaa
Nuv kooyabotho gaayamavvadhaa

Prathi malupu daate vela
Sandhehaalevo tharumuthunna
Kanula venake kalalu vadhili
Parugulena

Kshanakshanamo kadha ani
Nee konganchu vadhalani
Aligina oka paapaayilaa
Paaraaduthoone

Aa ningi neelima
Meghaala keethana
Dhookindha kallallo ilaa

Daachi daachi osi koyila
Aa oosulevo gonthulopalaa
