

Yeh daag daag ujala, yeh sabkajida sehar  
Woh intzaar tha jisaka yeh woh sehar toh nahi  
Yeh woh sehar toh nahi, jisaki aarju leke chale the  
Yaar ki mil jaayegi kahin na kahin  
Falak ke dasht mein taaron ki aakhari manjil  
Kahin toh hoga shabesust mauj ka saahil  
Kahin toh jaake rukega safinaaye gham-e-dil  
Jawaan lahu ke pursrar shaahraao se jale jo yaar

Toh daaman pe kitane haath pade  
Dayaare husn ki besabr khaabgaaho se

Pukaarati rahi baahein, badan bulaate rahe  
Bahot aji thi lekin lekin rukhe sehar ki lagan  
Bahot kari tha hansinaane noor ka daaman  
Subuk subuk thi tamanna, dabi dabi thi thakan  
Suna hai ho bhi chuka hai firaaq-e julmatu noor  
Suna hai ho bhi chuka hai visaale manjilon ka aam  
Badal chuka hai bahot ehale dard ka dastur  
Nishaake vasl halaalo ajaabi hijr haraam

Jigar ki aag, najar ki umang  
Dil ki jalan, kisi pe chha rahi hijra ka kuchh asar hi nahi  
Kaha se aayi nigaare saba, kidhar ko gayi  
Abhi charaabe sare raah ko kuchh khabar hi nahi  
Giraani yeh shab mein kabhi kami nahi aayi  
Nijaate dido dil ki ghadi nahi aayi  
Chale chalo ki woh manjil abhi nahi aayi.
