

DAF Lyrics

Gin and juice in a coffee mug
Woh darti hai log usse kare na judge
Haath gaye meri saari jagah
Par soul uski mein kar paaya na touch

Meine poochha "is it really worth?"
"club mein paise ki tarah kyu tu ho jaati hai kharch?"
Chhoti botalein dabaake tu purse mei
Bole 'i'm just doing research!'

Wo khadi bhi nahi ho paa rahi
26 par wo badi bhi nahi ho paa rahi
Happy high wo kabhi nahi ro paa rahi
Mere saath cause akeli nahi wo so paa rahi

Prescription hai par leti wo dawaai nahi
Jo mooh se bole uski aankhein de gawaahi nahi
Hai dhundhala deta kuchh bhi dikhaai nahi
Baatein chhupaai body par chhupaai nahi
She just wanna

Naach jaise koi bhi nahi dekh raha hai
Naach jaise koi bhi nahi dekh raha hai
Tu naach jaise koi bhi nahi dekh raha hai
Naach jaise koi bhi nahi dekh raha hai
I'll admit it

Wo aayi mere gharpe ek tooti heel leke
Boli heal karde toota dil
Uski white dress pe wine ke hai chheete
Jabhi aine mein dekhe
It's a metaphor for all her sins!

Har din tera shanivaar kyu hai?
Kyu aire - gaire clubon mein tu parivar dhoonde?
Hai glass ke bottom mein teri saari intimacy
Tu bas fassi aise logo mein jo katai cartoon hai

They're just 2 dimensional
Jaanta ki fam teri bohot conventional
God damn meri jaan it's the wrong attention

Know me know me know me
Aage hoga jo bhi jo bhi
Ki tere mere beechmein jo faasle hai
Aisa laga pehli fir se mile hai!

Pohochi hogi
Tu ghar kaise pohochi hogi?
Ye achha hai ki bhooli naa tu dil ka pata ye
Chhod de tu saare bahaane aur

Naach jaise koi bhi nahi dekh raha hai
Naach jaise koi bhi nahi dekh raha hai
Tu naach jaise koi bhi nahi dekh raha
Naach jaise koi bhi nahi dekh raha hai
