Dafliwale dafliwale

Tere bin main kya mere bin tu kya  
Ik duje bin ham akele  
Donon ke man se man ke milan se  
Lagte hain sargam ke mele haay haay haay  
Tere bin main kya mere bin tu kya  
Ik duje bin ham akele  
Donon ke man se man ke milan se  
Lagte hain sargam ke mele  
Tu tode ke jode tu rakhe ke chode  
Ye dil kiya tere hawale  
Dafliwale dafli baja  
Mere ghungroo bulate hai aa  
Main nachoon tu nacha

Teri chamcham se meri damdam se  
Kya rang chaane laga hai  
Aankhon ke raste tu hanste hanste  
Dil mein samaane laga hai haay haay haay  
Teri chamcham se meri damdam se  
Kya rang chaane laga hai  
Aankhon ke raste tu hanste hanste  
Dil mein samaane laga hai  
Unhe bhi dikhao  
Unhe bhi dikhao unhe bhi bulaaoo  
Kahan hai ye duniyawale

Dafliwale dafli baja  
Mere ghungroo bulate hain aa  
Main naachoon tu nacha  
Dafliwale dafliwale.
