

Come on ladies  
Hahayo step aside  
We gotta turn the  
Heat on in this joy  
Because we gotta  
New girl in town  
Heres introducing  
The videsi jalwa  
In a desi style ditti niha  
Dan dan dhayein dhayein  
Dan dan dhayein dhayein  
Tez chale tu bada tez  
Break mar  
Dan dan dhayein dhayein

Dan dan dhayein  
Love ka yeh jalwa to dekh  
Seeti maar

Phatka laga  
Ghode dauda thoda

BHARAT  
lyrics

Mein rang jayega  
Arey fokat ke fundon  
Mein chan jayega

Thake na tu beat par  
Dil ko heat kar  
Har mausam ban jayega  
Weight le dil ko zara  
Weight tel maar  
Dan dan dhayein dhayein  
Dan dan dhayein dhayein  
Dan dan dhayein dhayein  
Dan dan dhayein  
Ae raat ki roshni lapet  
Haath maar  
Puts your hands up  
This is how it should be done  
Can you take this pressure  
Can you survive this pressure  
Just stop boy  
Tell me what you gonna do  
Can you take this pressure  
Can you survive this pressure  
Just stop boy  
Tell me what you gonna do

BHARAT

Nikal jaane de  
Magic vagic thoda  
Chal jane de  
Arey dil ko treat de  
Thodi neat de  
Har rang badal jaane de  
Chodh darta hai kyun
