

Dandanakka Dandanakka Thavuladi Song Lyrics

Oothungada kombu
 Kottungada kottukaaran
 Ada ellarum vaanga
 Velan vanthuruchi

Thillayaru parambarayila
 Pazhanisamy peththedutha
 Velan thaan pass aitan paaru
 Ippo oorukke pandhi pottu
 Parimaaruvom kari soru

Yei dandanakka dandanakka thavuladi
 Oru vetri thaane thozhvikkelam badhiladi
 Thalavaazha ela mela thalagari
 Ada thadabudala nadakkuthu oru pudipudi

Passaagi vanthutan pangu
 Ippa oorukkul aagitan trendu
 Passaagi vanthutan pangu
 Ippa oorukkul aagitan trendu

Varungalam namakkachu vaazhnthu kaatuvom
 Varalaru padaikka thaan paaru
 Nanbanukku mela oru sondham illada
 Avana pola yaarum inga bandham illada

Yei dandanakka yei dandanakka
 Yei dandanakka dandanakka thavuladi
 Oru vetri thaane thozhvikkelam badhiladi
