Arre black and white seethakokachilukawa  
Cheekatlo thiragani minugurotalukuwa  
Okka mullu kuuda lene leniroja puvva  
Rare piece nuvva

Kalalu kanadhata kannethi kanadhata  
Karuku maguvata hoy  
Nagalu baruvata guname nidhiata  
Egiri padadhata hoy

Danger pilla danger pilla  
Danger pilla pilla  
Angel laga dual role aah  
Chetiki teliyakunda

Heart ye maayam chesavella  
Touch cheyyakunda  
Naalo motham nindavella  
Arre nuvvochcaka  
Edhi ledhe munupula

Arre naake nene boreye kotte manisine  
Emaindey first lookulone neeke padithine  
Sleepu walku lonaa follow chese positione  
Rareu case nene

Ho nachchindhe chesthuunta  
Andhaaka tinta panta  
Manthoti kastham anta hoy

Tensionlu mosethanta  
Ledhanta intaavanta  
Showmanu antaranta hoy

Danger pilla danger pilla  
Danger pilla pilla  
Angel laga dual role aah  
Chetiki teliyakunda  
Heart ye maayam chesavella

Touch cheyyakunda  
Naalo motham nindavella  
Arre nuvvochcaka  
Edhi ledhe munupula

Ho mudhdhu appisthaava
