

Dar na mohabbat karle
Dar na mohabbat karle
Ulfat se jholi bhar le
Dooniya hai char din
Ki ji le chahe mar le
Ho dar na mohabbat karle
Dar na mohabbat karle

Dooniya fani too bhi fani

Leta ja ulfat ki nishani
Do lafzo ki ek kahani
Ek mohabbat ek jawani
Yad isse too karle
Yad isse too karle
Dar na mohabbat karle
Dar na mohabbat karle

Dooniya toh kato kaa ek ban hain
Aur ulfat phoolo kaa chaman hain
Kar le wahi jo dil ki lagan hain
Soch na manzil dil ki kathan hain
Ho dil ki kathan hain
Iss manzil se gujar le
Iss manzil se gujar le

Dar na mohabbat karle
Dar na mohabbat karle
Ulfat se jholi bhar le
Dooniya hai char din
Ki ji le chahe marr le
Ho dar na mohabbat karle
Dar na mohabbat karle

Kehna jo tune mera na mana
Pichhe padega phir pachhtana
Dekhle apna karle thikana
Yeh hai mohabbat woh hai
Zamana woh hai zamana
Hass le ya ahen bhar le

Hass le ya ahen bhar le
Dar na mohabbat karle
Dar na mohabbat karle.
