

Dard badta hai to
Muskurate kyun ho
Mujhe dekh kar
Nazarein churate kyun ho
Mein gunehgaar to nahi
Mein gunehgaar to nahi
Fir satate kyun ho
Sochta hoon itna
Yaad aate kyun ho
Kyun itna yaad aate ho

Saason mein base
Ho dil mein rehte ho
Jhute vaado se
Hume behlate kyun ho

Hume behlate kyun ho

Yuhi kam gam nahi
Yuhi kam gam nahi
Aur badate kyun ho
Pyaar hai gunah nahi
Ise chupate kyun ho
Chupate kyun ho

Makhmali khwabo se sazi
huyi Sunahere kaanch
Ki hai duniya meri
Chahta hoon tumhari
Chahto ke phool
Mohabbat ko meri
Thukarate kyun ho
Kya milta milta
Kya hai tumhe
Kyun itna satate ho
Dard badta hai to
Muskurate kyun ho
Aansuo ko palko
Pe sazate kyun ho.
