

Dard bant raha hai kise dard chahiye
Dard bant raha hai kise dard chahiye
Dard bant raha hai kise dard chahiye
Tute dil ko dard me humdard chahiye
Dukahte dil ko dard me humdard chahiye

Do dilo pe dukh ke kale megh chhayee
Kon apne hai
Kon apne hai aur kon hai paraye aaj

Humko kasam humko kasam
Aaj madhur perm naam ki
Humko kasam humko kasam
Aaj madhur perm naam ki
Jodi kabhi bichde nahi radha shyam ki
Ravan ki nahi nahi ravn kinahi hogi janaki

Janaki rahegi hamesa hi raam ki
Ram ki raam ki
Dard bant raha hai kise dard chahiye
Dard bant raha hai kise dard chahiye.
