

Dard ke phool bhi khilate hain
Bikhar jaate hain
Dard ke phool bhi khilate hain
Bikhar jaate hain
Zakhma kaise bhi ho
Kuch roz bhar jaate hain
Dard ke phool bhi khilate hain
Bikhar jaate hain

Us dareeche mein bhi
Ab koi nahin aur hum bhi

Us dareeche mein bhi
Ab koi nahin aur hum bhi
Sar jhukaaye huye
Chupchaap guzar jaaten hain
Dard ke phool bhi khilate hain
Bikhar jaate hain

Raasta roke khadi hai
Yahi uljhan kabse
Raasta roke khadi hai
Yahi uljhan kabse
Koi pooche to kehen
Kya ki kidhar jaate hain
Dard ke phool bhi khilate hain
Bikhar jaate hain

Naram awaaz, bhali
Baaten muhazzab lehze
Naram awaaz, bhali
Baaten muhazzab lehze
Pehli barish mein hi
Ye rang utar jaate hain
Dard ke phool bhi khilate hain
Bikhar jaate hain.
