

Darling Song Lyrics

Darling won't you open up your eyes
And take the glance
World is filled with open warmth
And even some romance

Maybe it's difficult i understand
But for the love of god given
A chance is lovely
Lovely, please love me
To be here with you

Baby baby look into my eyes
Honey tell me is this
What i've fallen for you
Feels like running out of lyrics
But all i want is to sing with you

Andru unthan kudanthukkul naan nuzhaintha pinne
Yedhedho pesi kondu kee kuzhaintha pinne
Nee seidha paadal ondru paada vanthen indru
Maranthu naanum nindru un azhagai thindru

Andru antha maalai
Naan pona saalai
Sattendru nee vanthu vaa endrenum

Naam melai vaanam
Un thozhil naanum
Thittitha varthaigal nee sonnathum

Mai mai maiyil attract kannodu
Unthan imai eeram endru otrai kannodu
Pirazha kadhal otrai thuliyagi vizhutte

Darling yaarum unnai pola ennai paarthathillai
Darling yaarum unnai pola unmai sonnathillai
Un paadhi paadalai naan yenginen
Enai maranthu neeye yen neenginai nirkathe

Darling vaarayo enai mudikka

Mai mai maiyil attract kannodu
Unthan imai eeram endru otrai kannodu
Pirazha kadhal otrai thuliyagi vizhutte

Oh baby baby look into my eyes
Honey tell me is this
What i've fallen for you
Feels like running out of lyrics
But all i want is to sing with you.
