

Baby...baby...
Let me shine on you
Like a sun that shines and
Makes the sky so blue
Baby..baby
You blow my heart away
Like the wind that blows
On the stromy night..

Darmiyaan na rahe ab hawaa..
Yun lipat mere tan se tu aaj
Reshe reshe ki doori na bardasht ho
Intzar lage ab sazaa
Yun na bahka hamen is tara
Aa rahi hai humen to hayaa
Aise ehsaas se dar lage ab humen
Naa de sholon ko tu ab hawaa..
Darmiyaan na rahe ab hawaa..

Naa churaa nazar..naa dhaa kahar
Aaj armaan sawarne to de
Naa badha kadam, yun atka hai dum
Thodi baatein guzarne to de
Ye muradon se aayi hai raat
Le le haathon mein makhmal se haath
Reshe reshe ki doori na bardasht ho

Intzar lage ab sazaa
Darmiyaan na rahe ab hawaa...

Dheeme dheeme se aati hai hoton pe
Baaten dilon ki beliyaa..
Chupke chupke se milti hai resham si
Lab se labon ki narmiyaan...narmiyaan
Ghune lagee hoon tujhme hi main yun
Is kadar tujhse doori na bardasht ho
Aaj hone de meethi khata...

Baby...baby...
Let me shine on you

Like a sun that shines and
Makes the sky so blue
Baby..baby
You blow my heart away
Like the wind that blows
On the stormy night..
