

Kad patiala teri jawaani
Aaja karde shuru kahaani
Hoon toh main ek desi chhora
Par nacha doon english rani

Machana shor hai
Music mein zor hai
Style mera thoda crazy
Bring it back*

O saajna...

Ho thoda daru vich pyaar mila de
O thoda daru vich pyaar mila de
O nashe di ai band botal ai
O nashe di ai band botal ai

Ho thoda daru vich pyaar mila de
O thoda daru vich pyaar mila de
O nashe di ai band botal ai
O nashe di ai band botal ai

Tu hi manzil hai meri
Tu hi taqdeer hai meri
Tere naal zindagi di
Koi vi kami..

Pyaar da jaam pila de
Dil naal dil mila de
Husna di raaniye tu
Meri mehbooba

Meri ankhiaan di pyaas bujha de
Meri ankhiaan di pyaas bujha de, bujha de
Thoda daru vich pyar mila de
Thoda daru vich pyar mila de, mila de!

Ho saajna...

Choome jisko tu bekaabu ho jaaye
Ab what to do?

Husn mein nasha
Lo ji main phansa
Tell me baby kya main karoon

Madness chaaro taraf
Botal bhi kare hai madad
Club ho ya meykhana
Billo main hua deewana

Kasam khuda di billo
Jaan ton pyari lagge
Teriyaan adaavan nu karda salaami

Ishq awallah ehda
Roop vi avallah hai
Chareyan da dil ni
Bada kamazor

Meri akhiyan di pyaas bujha de
Meri akhiyan di pyaas bujha de, bujha de
Thoda daru vich pyaar mila de
Thoda daru vich pyaar mila de, mila de!
