

Saavan ka mast mahina hain
Saavan ka mast mahina hain
Kyaa saagar hain kyaa minaa hain
Ye peena bhi koi peena hain
Peena hain peena hain
Peena hain to munh se lagaakar
Botal peene de daaru
De dada o mere bhaiya re de daaru
De daaru botal se peene de daaru
Are bade dinon ke
Baad mili hain ye daaru
Are hosh rahe na
Baaki saaqi de daaru
O mere bhaiya de daaru

Ye andar baahar hone do
Hamen hansane do hamen rone do
Sab bhed karam khul jaa enge
Sab bhed karam khul jaa enge
Sab kante pe tul jaa enge
Ham bure sahi par achche hain
Kyonki ham dil ke sachche hain
Are jooth kahen to jaan hamaari
Le daaru o mere bhaiya de daaru

One peg two peg three peg four peg
Ham peg pikar hosh mein aae hain
Haan ab ham josh mein aae hain
Paani mein aag milaai hain
Kuchh garmi khuun mein aayi hain
Masti sar chadhake bolegi
Ab gori ghuunghat kholegi
Wo haath kisi ke pade nahin
Hum bade dinon se lade nahin
Are aaj kisi ko maareng de daaru
