

Tu hai subah
Tu shaam hai
Jeene ka tu hi hai nazariya... haan!

Teri lehar.. aathon pehar
Main boond tu hi mera dariya
Duniya se juda kar de
Zarre ko Khuda karde
Oh tere ishq se mujhko

Na karna kabhi tu judaa...

Ki ab meri saans saans tere paas hai
Aur tere aas paas pehchaan hai ab meri
Dil mein apne dil bhar kar de de jagah
De de jagah...
Meri saans saans tere paas hai
Aur tere aas paas pehchaan hai ab meri
Itni si mere Rab tujhse hai dua

Jeeta raha khwabon mein main
Khudse hi par door tha
Thoda sa tu majboor tha
Thoda main majboor tha
Khwabon ko zubaan kar de
Nazron se bayaan kar de
Tere ishq se mujhko
Na karna kabhi tu judaa

Ki ab meri saans saans tere paas hai
Aur tere aas paas pehchaan hai ab meri
Dil mein apne dil bhar kar de de jagah
De de jagah...

Meri saans saans tere paas hai
Aur tere aas paas pehchaan hai ab meri
Dil mein apne dil bhar kar de de jagah
De de jagah...
