

Ho ho! ho!
Sahi aa hun! Aaja!

Oh mint-mint langhe gin-gin balliye,
Ni last december de din balliye,
Nawa kohli jiwein nit set karda record,
Aidaan gabru nu dite laare gin baliye,

Haal dhunda da ae manda,
Dikhe bande nu na banda,
Tainu milan tan aya, dekh jera jatt da,

Kaisa jaageya ishq,
Lainda phirda risk,
Ke tere karke rakane munda velly touch da,

Loyi di bukkal maari,
Hogi gilli nakhro ni,
Paindi aa kin-min balliye, mint mint ho!

Mint-mint langhe gin-gin baliye,
Ni last december de din baliye.

Mint-mint langhe gin, ho! oh!

Ni last december de din baliye
Mint-mint langhe gin, ho! oh!
Ni last december de din baliye.

Ho jatt nu pyar hoya,
Billo pehli vaar hoya,
Gabru teyar hoya kithe piche mud da,

Teji di support aape aaju kam lot,
Tere naa de piche got mera dekhi kiwein jud da,

Tera bhaini wala khan, rakhe wakhri pashaan,
Taiyon horan ton style thoda wakh rakhda,
Darri na rakane, worry kari na rakane,
Munda fadke kade na tera hath chhad da,

Ho wakhra hi deenda munda bheed wichon,
Jiwein tere mukhde te deenda kaala tin baliye, mint mint, haye! Ho!

Mint-mint langhe gin-gin baliye,
Ni last december de din baliye
Mint-mint langhe gin-gin baliye,
Ni last december de din baliye.

Bas baut aa!.
