

Thodi neeche hai zameen  
Thoda upar hai aasmaan  
Ru ba ru hai aatma  
Dedh inch oopar hoon main  
Thodi neeche hai zameen  
Thoda upar hai aasmaan  
Ru ba ru hai aatma  
Dedh inch oopar hoon main

Ando ando masti chaan do  
Ando ando masti chaan do  
Yahi basar jaane do  
Waqt yeh haseen sa  
Ab thehar jaane do

Ando ando lehrein ando  
Ando ando lehrein ando  
Lehron pe lehrao  
Kurbaton ka jashn hai  
Aao na beh jao

Dedh inch oopar hoon main  
Thodi neeche hai zameen  
Thoda upar hai aasmaan  
Ru ba ru hai aatma  
Dedh inch oopar hoon main.
