

Deedani deedani deedani deedani
Deedani deedani deedani
Deedani deedani deedani deedani
Deedani deedani deedani
Tu hai sabse juda tujhpe dil yeh fida
Teri har ek ada deedani
Tu hai dil ki sada tu hi mera khuda
Tu hai dil ki sada tu hi mera khuda
Tu ajab alhada hai bali
Deedani deedani deedani deedani
Deedani deedani deedani

Teri khamoshiyaan teri bechainiyaan
Teri hairaniyaan kya kahoon
Aisi maasumiyaan aisi magrooriyaan
Aisi manmaaniyaan kya kahoon
Pehle gustakhiyaan phir yeh diljoiyaan
Pehle gustakhiyaan phir yeh diljoiyaan
Hai tu kitni hunar ka dhani
Deedani deedani deedani deedani
Deedani deedani deedani

Rooth jaana tera maan jaana
Tera yun hi mujhko sataana tera
Dil milaana tera muskuraana
Tera yun hi dil ko jalaana tera
Dil churaana tera dil lutaana tera
Dil churaana tera dil lutaana tera
Laaye madhoshiyaan hai ghani
Deedani deedani deedani deedani
