

Aashiki kya hai tu hai
 Diwangi kya hai tu hai
 Jindagi kya hai tu hai
 Bandagi kya hai tu hai
 Tu tu tu tu tu
 O priya o priya o priya o priya
 Teri aankho ka deewana
 Deewana deewana
 Teri bato ka deewana
 Deewana deewana
 Teri ada ka mai janeman
 Janeja mai deewana
 Deewana deewana deewana
 Deewana mai tere liye
 Teri aankho ka deewana
 Deewana deewana
 Teri bato ka deewana
 deewana deewana
 Teri ada ka mai janeman
 Janeja mai deewana

 Deewani mai tere liye
 Teri chahat ki deewani
 Deewani deewani
 Teri bato ki deewani
 Deewani deewani
 Teri har ada ki mai
 Janeman jane ja ha deewani
 Deewana deewana deewana
 Deewana mai tere liye

Kal tak jo gunah tha teri kasam
 Aaj hai ibadat mere liye
 Tu hasti rahe tu gati rahe
 Tera har gum janam mere liye
 Tu mere dil ki dhadkan hai
 Mujhe tujh se pyara koi anhi
 Tere bad meri priya

Mere jine ka sahara koi nahi
So bar jiu so bar maru
Meri jan jo tere kam aaye
O priya o priya o priya o priya
Deewana deewana deewana
Deewana mai tere liye
Deewani deewani deewani
Deewani mai tere liye
Aashiki kya hai tu hai
Diwani kya hai tu hai
Jindagi kya hai tu hai
Bandagi kya hai tu hai
Tu tu tu tu tu

Mere dil ko dhadakne ke liye
Ek teri hi jarurat hai
Aa tujhko chupa lu aankho me
Mere dil me teri murat hai
Tujhko koi or dekhe to mai jal jaunga
Teri khatir sari dunia se mai lad jaunga
Mera hasna tere sang
Mera rona tere sang
Mera jina tere sang
Mera marna tere sang
Tuhi meri sayri
Aashiki justzu aarzu
O priya o priya o priya o priya
Teri aankho ka deewana
Deewana deewana
Teri bato ka deewana
Deewana deewana
Teri ada ka mai janeman
Janeja mai deewana
Deewani deewani deewani
Deewani mai tere liye
Teri chahat ki deewani
Deewani deewani
Teri bato ki deewani
Deewani deewani
Teri har ada ki mai janeman

Jane ja ha deewani.
